## MENTAL HEALTH CLINIC DIRECTOR

2020 Salary: \$84,906 - \$92,225

The Clinic Director is a committed team member who supports planning, developing, evaluating, and administering services of the Mental Health Clinic. The Clinic provides a safe, supportive and therapeutic environment where an individual with mental illness can explore, identify, and strive to achieve recovery from the disabling effects of their mental illness. As the Clinic Director, you are responsible for ensuring our clients are provided quality care and to this end will implement quality improvements for our organization. You are also responsible for ongoing recruitment within the community, providing educational services to the community, as well as providing clinical oversight of psychotherapy to individuals, couples, families and groups. You are the leader of the Clinic and will provide leadership to professional social workers, community mental health nurses, other licensed professionals, social work interns, peer specialists and volunteers.

## DEPUTY COMMISSIONER OF MENTAL HEALTH SERVICES

2020 Salary: \$93,371 - \$101,454

The Deputy Commissioner of Mental Health Services is a senior leader who is the driver of policy and operating responsibilities within our department. As Deputy Commissioner you will direct, plan, and coordinate the operations of the department as you serve as a key policy advisor to the Commissioner and our community. You will lead a department that provides a full range of mental health services on behalf of a County government—and a community — that recognizes the value of those services. The Department operates an array of direct services, including the County mental health clinic, and manages multiple millions of dollars in contracts to agency providers. In addition to providing policy advice, you will manage most of the day-to-day activities of the Department. You will have extensive interaction with staff and be an integral member of our team, who is committed to quality client care and to constructive change that adapts to our rapidly changing policy and regulatory environment.
